

2017 Summer Camps

At TDA we combine movement with crafts and theatre arts to inspire and entertain campers. Our students will experience the joy of music, creative movement, and self-expression while developing self-confidence and discover their passion for dance in a safe and nurturing environment. Camp tuition includes all craft supplies. Campers should wear clothing that they can move in easily. Campers should also bring a snack and beverage with them each day.

TDA Summer Camps:
